

# CITY CREEK **WATER TREATMENT PLANT**

## **UPGRADES**

January 4, 2023

**Greater Avenues Community Council**

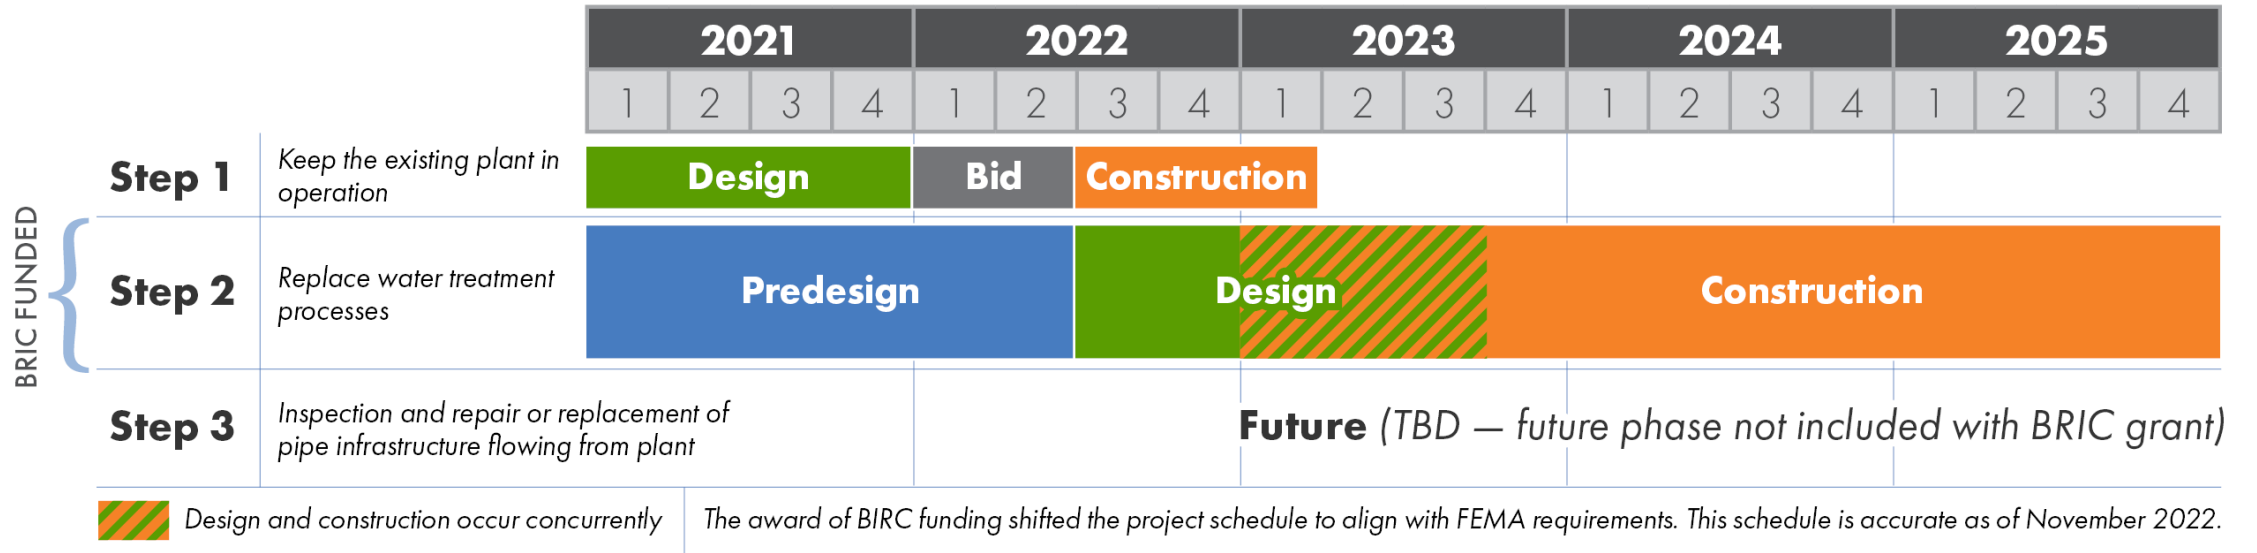

# BRIC Funding

## Building Resilient Infrastructure and Communities

- SLC has been selected for funding in the amount of \$36.7 million.
- This reduces the amount of costs covered by rate payers by up to 70%
- Accelerates timeline for major components of this project.

# Project Timeline

## City Creek Water Treatment Plant Project Schedule

# Anticipated Canyon Access Schedule\*

- January 9 – February 28
  - Roadway and unpaved trails will be closed to the public Monday-Friday beyond Site 16 (approx. 3 miles up the canyon).
- Roadway Closures – Beginning May 2023
  - Due to high volume of use we anticipate that the roadway will be closed Monday-Friday during peak recreation times. This is to accommodate construction schedules and ensure the safety of the public.
  - The canyon is expected to remain open on the weekends and during holidays.
  - Specific closure information will be shared as it becomes available.
- Trail Closures
  - Trails are expected to be open.
- Sign up for Text Notifications
  - Text “CCWTP” to 833-271-7589

\*Access schedule is dependent on when receiving FEMA BRIC funding.

# Public Notifications

**CLOSED FOR CONSTRUCTION**

City Creek Canyon will be closed\* weekdays for construction beyond **Site 16** through **mid-January 2023**.

**CITY CREEK WATER TREATMENT PLANT UPGRADES**

**Public Utilities** **Keep It Pure**

DO NOT POLLUTE THE WATERBODIES

*\*Open on holidays and weekends*

# Survey

- With our last survey we asked what you value about City Creek Canyon.
  - What we heard was your love of the canyon’s natural beauty, the accessibility to nature, and the ease to recreate.
- **WATCH FOR A SURVEY LATER THIS MONTH**
  - This survey we are asking if we hit the mark with our building design based on the information you provided in the last survey.
